

MOST Class test on the book of Philippians.

Name: _____

You may use your computer to generate an electronic format of your answers, but you must close all Bible study programs, etc. You may NOT cut and paste from your personal notes (for obvious reasons). You may use your open Bible for accuracy in scripture references.

1. Discuss how each chapter in Philippians addresses itself to some of the most common areas of life that trouble an individual.
2. Discuss where, when and how the establishment of the church in Philippi had its beginning. Be sure to give scriptural references, especially as contained in the book of Acts.
3. Discuss how the book of Philippians contributes to the truth of Jesus' deity. Be sure to include Paul's use of words and phrases that trace our Lord's divine nature, taking us through the Lord's incarnation, and His ultimate glorification.
4. Discuss the date and occasion for the epistle to the Philippians. Draw from the historical and chronological information provided by Luke in the book of Acts.
5. Provide an exegesis of Philippians 4:8 - be sure to discuss the words used by Paul in the verse.
