### REQUIREMENTS:

Read each epistle before it is covered in the class.

Each student will be required to take thorough notes (which may be collected at any time), to pay attention to the instructor, to follow along in the handouts, to do any required reading and assignments outside of class, and to actively participate in class.

Students taking the class for the certificate must paste or photocopy three separate introductions for each of the epistles into his notes. Students seeking the advanced diploma must paste or photocopy five separate introductions for each of the epistles.

Students taking the class for the certificate must write a verse-by-verse commentary on either 1 or 2 Timothy, Titus, or Philemon. Students seeking the advanced diploma must write a verse-by-verse commentary on any two of the epistles. If the student has written a commentary on one of these books for the two-year program, he should try to double the material therein. The commentary must be formatted in Times New Roman 12 font single spaced, but may either be in outline or paragraph form. There is no set length, but the content must be thorough--it is hoped that this would be so written now that it could continue to be used and appreciated thirty years from now. Please use the King James Version and at least two other versions (ASV, NKJV, ABP, TR, ESV, SRV, YLT, etc.) for comparative purposes.
